Subject: Distinguished Flying Cross

To: Captain Joseph W. Scott
976 West Peachtree Street
Atlanta, Georgia

1. By direction of the President, the Distinguished Flying Cross has been awarded to you by the Commanding General, Ninth Air Force. The citation is as follows:

"For extraordinary achievement from March 1944 to January 1945. On 26 March 1944 Capt SCOTT was assigned as pilot of a B-26 type aircraft to destroy E-Boat pens at IJmuiden, Holland. Despite intense and accurate antiaircraft fire which damaged his aircraft Capt SCOTT nevertheless maintained his position in formation and bombed his objective with great effectiveness. Again on 7 July 1944 Capt SCOTT was flying as deputy leader of eighteen aircraft dispatched on a mission in the vicinity of Tours, France. A formidable barrage of anti-aircraft fire sustained severe battle damage to his aircraft, rendering his left engine inoperative but, demonstrating outstanding airmanship and determination Capt SCOTT led his formation in a highly successful bomb run and destroyed a vital link in the enemy's supply and reinforcement system."
